

Diamonds

Los Lonely Boys

I'm lookin' at a rainbow
Way out across them hills
My babies love is with me
And I know it is for real

I ain't got no diamonds
And girl you know I ain't got no gold
I ain't never been no rich man
But girl I got you here to hold

We dance out in the moonlit sky
But it pales beside her light
She puts her arms around me
And I'll tell her it's alright

I ain't got no diamonds
And girl you know I ain't got no gold
I ain't never been no rich man
But girl I got you here to hold

Hey!
When you find something that matters
And that moment you will see
Far beyond our selfish wonders
Love is simple, love is free

I ain't got no diamonds
And girl you know I ain't got no gold
I ain't never been no rich man
But girl I got you here to hold

I ain't got no diamonds
I ain't got no gold, I ain't got no gold
But I haven't loved you darling
Oh
Girl I got you here to....
