

Without You

Los Retros

There's no hope in my life
Now that you're gone
I hope you'll think of me
When you're gone
I hope you'll cherish me
Now you're gone
But there's no hope
You're just wrong

Why did you take my heart?
Why did you walk away?
I know you're more than this
But please don't stay away
Cause there's no hope in my heart
When you leave this place
There's already a hole in my chest
I gave it all
To that cute little face
