

2AM

Loski

I call you Ski and then slime
Sipping on Henny
My broski like Melly
'Cause murder, it stays on his mind
I'm getting money
I know that you know

I'm fly, I'm fly like a kite
Diamonds in my mouth, no braces
Can't fuck with a bitch that's basic
She be thinking she made it, yeah
You know I get to the bag, I keep them hunnas on me
Dripping in swag, she got a man
But she still fucking with me, me

I'ma hit once then I skeet, skeet
If I go back she a keeper
I need to cut off the lean
It's turning me to a sleeper

She love me more when I go
Fuck it, I'ma just go
I don't know when I'll be home
2AM, studio
My phone's on Airplane Mode
You know how it goes when I'm with the bros
Anytime we do a show

Baby girl, take off your clothes
Her pussy wet like a boat
I heard you're sour
Yo, I ain't got manners
And I don't think no one's small
Risky life, risky life

I got my heart on froze
She got a heart of gold
I got my heart on froze
She got a heart of gold

She told me where is your love?
Play with my pussy
Don't play with my heart
When I lost SA it tore me apart
Then I lost Risky, now I ain't got none
Yeah, my jeans are Amiri, my shoes are blood
Up in these streets, they ain't playing for none

When I'm on stage I get a buzz
I think I can fly, think I can fly
Is it the Hennessy?
Snakes in disguise
Look my bro in his eyes
And I know that he envy me

Thin line between love and hate
Foreign car, I'm switching lanes

From the streets, I got out of there safe
I don't want no more love 'cause it's rage, yeah

She love me more when I go
Fuck it, I'ma just go
I don't know when I'll be home
2AM, studio
My phone's on Airplane Mode
You know how it goes when I'm with the bros
Anytime we do a show

Baby girl, take off your clothes
Her pussy wet like a boat
I heard you're sour
Yo, I ain't got manners
And I don't think no one's small
Risky life, risky life

I got my heart on froze
She got a heart of gold
I got my heart on froze
She got a heart of gold
