

Basil Brush

Loski

Yo

Two in that muh
Two-litre dung
Cut, cutting through anyone's hood
Basil Brush
You're hearing that boom
That gyal leng
Back then chung
Walk pon street
Don't dare look (Warning)
But I know most man shook (Caution)
If man could they would
(Darlin') Tell me how you look so good

Good
This T house ain't got no connection
Attention
We put nuff man in detention
Got sat on his ass, try get back up
Swear Donny got smoked, no Benson
She loves me, Bando
In the air some fuck-off tension
Yo, bro got a K, can't mention
Drench him
Left him messy, no fencing
She loves me and I love me too
So she knows Bando got the magic
We dun said we party with smoke
Won't party without anywhere gang slap it
Yo, but I don't wanna hear about slap it
Tap it, manual, ding dong, automatic
She look nice in her clothes, good fabric
Hat-trick, bro got three, splash addict

Cute one, sweet like cinnamon
Brown and different
She ain't like the rest
Pull up on peds, everyone stressed
Car or bikes, it depends
You ever pulled up brave like feds?
But the gang don't know about making arrests
Decamp cars tryna create an offence
Lil bro's too loose, done a shaving again

Bro bro backed that smoke on my man
Fry man, holding it firm with his right hand
Don't talk like you're bad, you ain't like that
Dot dots big in my hand like a iPad
Knife that, slide that right inside that
Feds on the kid, man, they're tryna indict man
Have you ever rid in a ride that's hijacked?
Bad B's on my case, she wan pipe man

Olympic ying man (Ying, ying)
Swing swing like Sinbad (Swing)
Doing that muh, man rise and ling that
Don't get packed, mums praying for their kid back (Ha)
See them on the mains, tell bronem spin that (Spin it)
Dior with Amiri drops
She giving you chat and she giving me top
Wan fuck Tay, she a gorgeous thot (Leng one)
Don't you know I ball so hard like FIFA?
Don't you know bro let it fly like Peter?
Ski like Skrapz 'cause he came with nina
Woosh, let it beat like Tina (Woosh)
If you get catched and you don't turn duppy (Duppy)
You're lucky, you're lucky, you're lucky
My man's mad 'cause I jeet his honey (Huh)
Funny, you're funny, you're funny

Two in that muh
Two-litre dung
Cut, cutting through anyone's hood
Basil Brush
You're hearing that boom
That gyal leng
Back then chung
Walk pon street
Don't dare look (Warning)
