

They take trips for the Snapchat, we do trips for the kill, blood garn spill  
Start mashing up breathing skills, Loski Loose love bands and drill  
I'm with Mad Max, he ain't got no chill, you back out your splash, I back out my splash  
I bet that you dash, I bet that you will  
We pulled up and them boy ran round  
On the other side in tints, pissed off cah Twin put his windows down  
Nuff time that I've linked them clowns, and they panic, panic  
Shambles, shambles, Spartans out  
Ayy we had it, had it, bare man dash when we get round  
Cool cat, slide around where your crew at  
Double tap and do it with a passion, with the A-team get your crew whacked  
SA just came home, my nigga did the bop like he 2Pac  
Got hammers need some new waps  
Yeah I'm neck deep in this beef  
They piss me off on snap, so we put smoke on the streets  
Oso bossy, oso smoky, gyal love that I'm only 18  
Still puttin 5 on feet  
These glizzys kicking, hand got rhythm, I'll still let it fly for free  
These beef ain't dead with them boy no way  
I got shows on the weekend, only reason why I don't ride on a couple Saturdays  
Them boy dere chat bout violence, someone's lying I chinged their mates  
12 gauge pump with a python nose, hope someone get hit up today  
Slide around where they stay, play your cards or get blazed  
Hospital you best pray, hospital or your grave  
Shotty was longer than man, chop it to the size of Shay  
Dem man chatting on man, still pipe out [?] bae

All of my barbies are pretty, you know she gone lock down my blikxy  
Aim at your chest what a pity, designer will leave it all sticky

I love skengs and money, Loski Loose loose get bloody  
SA no shame in his works, but shit hurts should've named him Chucky  
Trapfit I don't play no tennis, serve more than Andy Murray  
Hashtag better hide your honey, Spartans said the gyal dem love me  
Peng ones get shy but wave  
Eye for a eye, opp boy dip bro so I'm on rage  
First thing is them boy dere cowards, ran for his life when I bored his mate  
Crash with a K, talk on my name, I'll slide where you stay  
2 door whip put the front seat forward, jump out bet I see bare man skate  
Are you sure?  
If you touch GG, you'll get bored  
On the other side, we taking a tour, gyal give hat now her knees are sore  
She was throwing Ks on the gram, now her boyfriend's talking 'bout war  
Ayy bigman don't be stupid, check the workrate and the score
