Yo, yo

Cook, cook, really wish a boy would
Give her leg, now she feeling good
Michael Phelps, them swim for good
Kevin ain't got heart, he's shook
Who's that, aye, broski, look
See my ski, that's Captain Hook
In the bag that's um um muh
Cook, cook, really wish a boy would
Give her leg, now she feeling good
Michael Phelps, them swim for good
Kevin ain't got heart, he's shook
Who's that, aye, broski, look
See my ski, that's Captain Hook
In the bag that's um um muh

Wave that arm, this ain't UFC
I'm big ski and my brosupreme
Barbies look when I'm in that scene
Young boys out tryna stretch them neeks
Moncler shocker, Kennington bopper
Minimum 8
Amiri jeans
Henny not Foster
Best call the doctor
Ski stepped out tryna let that breathe
Wave that arm, that's Wii not jook muh
Harlem I'm from, what's good? Ooh, ooh
She leng, give wood
Touch me never, they wish they could
Do a man bait morning or late
Of course we dance, my skis go cray
Woosh woosh, them boy there lame
Fly it on amber, he ain't tryna wait

Cook, cook, really wish a boy would
Give her leg, now she feeling good
Michael Phelps, them swim for good
Kevin ain't got heart, he's shook
Who's that, aye, broski, look
See my ski, that's Captain Hook
In the bag that's um um muh
Cook, cook, really wish a boy would
Give her leg, now she feeling good
Michael Phelps, them swim for good
Kevin ain't got heart, he's shook
Who's that, aye, broski, look

In the bag that's um um muh

That gyal dead, I put it in a coffin
Make man vomit
Ski diabolic and I'm just honest
Bro said he want it, of course I cop it

It ain't no biggie, I love my killy
Notorious, Christopher Wallace
Bare man act like they're Iron Man
And see man and act like Sonic
I'm with mad man not the movie star
Lost my heart when I lost my darg
She saw my ski and she lost her bra
Treat you right if you play your part
Dawg, diamonds dance like MJ
Hopping out Germans, I ain't from Wenbay
He got a cannon like Pressplay
Belly and up, he don't know about leg day
Ying him, Zorro ting man give him
Ski got weight on my name, no gyming
That gyal rude and dead, I'm livid
Rap for the hood but we know he's timid
I don't wanna look like them
Whatever I do or say they mimic
I'm big ski and them boy some gimmick

Cook, cook, really wish a boy would
Give her leg, now she feeling good
Michael Phelps, them swim for good
Kevin ain't got heart, he's shook
Who's that, aye, broski, look
See my ski, that's Captain Hook
In the bag that's um um muh
Cook, cook, really wish a boy would
Give her leg, now she feeling good
