Fuck what my bro done, that's my jigga

Went jail, came home, money got bigger

Putting money on their head like a Naija man

I think they hate Mad Max, he a frightening man
She love me but she hate my habits
Splash and brag it
Opps can't manage, turned them cabbage
Free bro Savage, free all my savages

Te amo was the message from my Spanish chick, ooh
Still putting 5 on shoes
That gyal pretty, aye come here miss

Cool kid, I got the block hot
Have your dons shocked, when I pull up where you hang
Barbies on the kid and they flex with the gang
Ooh, I got another check in the bank
