

Last time I check, I run a cheque
A don got wet, a don got bun
Ay, don't be dumb
What time available, it's the rusty one
I'll make mad man, Naghz Max, slap flat
Slang hat, shoot them off the wall like Humpty Dum
Hate skidding from the jakes like he on the run
Don't be foolish, I never bought my Rollie for the time
All these diamonds, baby I love to stunt
Rob me? Ay don't be dumb
Real niggas put me on they playlist
Hundred bags, that's where everything changes
Do it ten times, have a milly where your safe is
Do it ten times, would you blow it or save it?
Ay big man, don't be dumb
I told my gyal if you with me, you're the chosen one
If you fuck up once I'll be more than done

Don't be foolish, ay don't be dumb
Baby I'm Loose, so the chosen one
Only run when the boy them come
Shell down 'nough show, gyaldem love me in Brom
Don't be foolish, ay don't be dumb
Baby I'm Loose, so the chosen one
Only run when the boy them come
Shell down 'nough show, gyaldem love me in Brom

You ain't bought no hammers for the block or bang for the crew

So why you still tryinna slap on them yutes
If I was you I'd be mad at me too (Tsk)

P.S. I make the crowd say Forrest Gump

Don't be foolish, ay don't be dumb
Baby I'm Loose, so the chosen one
Only run when the boy them come
Shell down 'nough show, gyaldem love me in Brom
Don't be foolish, ay don't be dumb
