

Drill It

Loski

Gang shit
Still drillin' b
Check the score
3 the guys
HarlemO, shoutout my Moscow dargs

Ay, ay, ay
Who's ones bigger than bassy
Lurk and attack, tape off your flat
Dem boy there, they athlete
They talk 'bout poles, we splash, they froze, that's on my woes, we do 10 to
es, ay who wants smoke, just come link man on the backstreet (ay link up)
I love sawn off nose and gorgeous hoes
They do net and we do road
Big man why you leave your bros
I don't know nothing 'bout ropes
2 man up front with blades for punks are you fucking dumb, we splash for fun
, just try approach
Anything green man drill it
That's scores or another man just bill it
3MadMax, splash from distance, blades then they come back drippin'
4 man out on the 4's no kiddin'
15 man try dash 1's trippin'
Splash mans chest and livers (haha)
Daddy, corn and fassy
My bitch not boujee, gold and booty, cute and flashy (Leng, leng)
At Harlem, shake with the Kennington bop, the barbies say we're flashy (they
love it)
They say splash when we all say splash, ha ha

If you say we ain't with it (you're lyin')
Must be drunk or different (weird)
We love band's and grippin' (aye)
Blood on my mummy's kitchen
Party with skengs
Gyal not leng
More time shoot at livers (bled)
Splash and gems
Dip at your friends
Tryna' do man different

Gyaldem love the way we step
Spent 5 bills on Italian creps
DK roll with the dons, too loose
Step and do it at carnì too
Same way shh got got in his chest

Big bro got midge in his chest
Wildin' in London we set them trends
Skr round town like what opps next?
Skengs on peds, we don't need no vest
East London, and he had no team
Next day fried up his whole Estate
They run when they see my face
DP dash when the opps got back
He got whacked for all of that trap
This shit's exciting
Shutting down shows and whacking up opps
MoscowO Let me state some facts
Moscow, Brandon violent dogs
Roll with the opps you can hold smoke too
Step to the Zone, we annihilate yutes
Get round dere see Kwengface dash
He dashed, dropped and still got wacked
Take his trap
We stepped and do it and traumatise prats
Nothing ain't changed
Snoopy dashed when P got splashed
Chest shot and [?] died
Gyally on me and the Spartans too
Zone 2 thot won't act brand new [?]
Tell her fleek up and throw up them Bs
Caramel peng, tell her get on her knees
Caramel peng, tell her get on her knees
