Loski

Forrest Gump (ayy)
I see everyone run off
That field get lock off when I'm up front (ayy)
Don't try approach me
Hazard and smokey, don't be dumb (ayy)
I still send emoji
More time trophy to gorgeous ones
Spartan baby, we're the realist ones (ayy)

Trackie and Italian shoes
Or I'm stepping in some retro J's
Pretty one come my way
Harlem paid, we all misch mash all day
Up tryna fuck the whole squad
Mm-mm she ain't got no shame (ayy)
Still putting skengs on peds
What a violent trend don't talk on my name (ayy)
You know, I know, I was looking for you baby
Spartan boy, not your average type
Cah I splash up the ops and they hate me
I love bruck-back, spinners and baby 9's
More champagne I'm feeling way too fly
Smoking on flavours, I'm way too high
And bro traps with me daily
Big man is your trap really online

Forrest Gump (ayy)

We love splash, mash and cash
But you know that's so old news
Baby throw it back like I taught you
Don't give it to nobody else is what I told you
Spartan fashion (ayy)
Splash with a passion, my side don't lose
Back your friend and get bored too
Tried do six but four got through (ayy)
Hit it from the back, with my hands on her hip
That do look stunning, stunning
See opps in the field and they're running, running
Ayy Mad Max dun him, dun him
Italian kicks had them looking at the kid like mm-mm
He must make money, money
Young fly boy, gyal dem love me, love me
Big man come get your honey, honey (ayy)

Been conversating on facetime right after midnight
And you tell your friends that you're mine
And I won't deny, kiss on your neck make you shy
You say that you hate my life
