

Interlude 1

Loski

Come on
(Yeah, my bro back)
(Return of Loski)
Home fam

Yo

I ain't going back to Felts, that shit's like hell
Milk near the window, blue plates in your cell
Land road a couple days and give Teddy to the world
Hitting gyal in every city, showtime it's a shell
Condo in the country when you're bettering yourself
Change my name to Bankroll, I ain't worried 'bout a L
Cool Kid to run a check, I get Boasy, can't you tell?
Street nigga in the bricks and I ain't seen it nowhere else
