

Course I- course I- course I brag  
Course got cash, course I splash, course I rap  
Course I've got cash, course I- yo

With the opps I'm MJ, gyal, I'm MJ, tell me who's bad  
The money keeps callin', course I'm ballin', course I brag  
Says she don't like drillers, now she got a driller that ran through the bag  
A driller with cash, a driller that splash, a driller that raps

Said I can't be with members  
When I'm with members everyone's scared (Ski dem live)  
Other side, bruck and angry  
If it ain't that then it must be weird (them boy way too bruck)  
Gang lockin' off parties, opps run round like musical chairs (Glee, glee)  
Done the dance like MJ, when he turned burger told bro cheers  
Three broski, grandad, wavin' that stick, gang don't play fair  
If we buck them opps, and I'm with GG, man, I bet he shares  
Lost SA then I lost Risky, I got no more tears  
[?] too fast but he wish he was slow like his older cares

With the opps I'm MJ, gyal, I'm MJ, tell me who's bad

Cool with some but we link with none  
Harlem O, still do it for fun  
What you gonna do when the Spartans come?  
Brand new smoke, what one do you want?  
That girl bad with a bore on her tongue  
Can't rate Fields cause them boy some punk  
Amiri stepper, who does it better?  
Dripiest driller, with a Harlem ones  
Done it in night and done it in Day  
Done it back on roads and done it on mains  
Trapped in the sun and trapped in the rain  
Ends, OT, man, it's all the same  
Them man know that the ski dem live  
They ain't tryna buck into broski rage  
Lately the gang been gettin' bad luck  
Most of the bros got locked in the cage
