Loski

Oof, oof, oof, oof, oof, ohh  
Oof, oof, oof, oof, oof, ohh  
Oof, oof, oof  
Ski, ski, ski  
1-6, 1-6

I'm with the slay, oof  
Pretty bitch, long hair  
New season, Moncler  
They lookin' for me, I'm aware  
They see the kid and wouldn't dare  
Big bag, it ain't fair  
She give me neck, I touch her hair  
Ski with me, he prepared

Ski time, winnin'  
I stay around pretty women  
Amiri jeans, Gucci linen  
Buss a move, kill 'em  
She got a heart of gold  
Her friends wan' tu'n up so I tell her to bring 'em  
I put your bitch on my Triller  
MJ, Thriller  
Word on the streets, they lookin' for me  
Tell 'em hit Craig, you got a bookin' for me  
Heard I went jail for a cooker on me  
Said it's for a boy if he run up on me  
If I leave that bitch, get another on me  
No cap, I keep hunnas on me  
I said no cap, I keep them hunnas on me

I'm with the slay, oof  
Pretty bitch, long hair  
New season, Moncler  
They lookin' for me, I'm aware  
They see the kid and wouldn't dare  
Big bag, it ain't fair

I'm with the demons, I'm with the divas  
These hoes know I'm strategic  
Oof, I mean it  
Loubs, bleedin'  
I got the swag, they repeat it  
Ski with me, he won't reason  
Said she mine, must be dreamin'  
I hit it once then I'm leavin'  
Me, I'm a star, she a Insta hoe

I ain't gon' lie, I hit it though  
Chasin' a bag so I gotta go  
She got a man, I won't let him know  
No one forgettin', no one ain't tellin'  
He hit the block and he wet it  
I think they jealous  
The Amiri, the denim  
CC, Balenci', no pendant  
Wait, wait, wait, wait  
Ski time, cray  
Brought that rage  
Henny for the pain  
Bad bitch, slay  
Loose, not insane  
She a groupie, with a brain

I'm with the slay, oof
