

TT

Loski

She TT, she likes Celine
She bad and she know
Validation, she don't need
Cut her Ex off, quick to let the man go
She don't need a thing
She got her own bankroll (Bando)

Brown skin fit, she a diva (Yo)
We put him in the air with his geezer
And my yardie ting wanna fly UK
I told her get up and pattern her VISA
2 G locks and we step and slide
Even had the G lock in shisha
T house, it ain't nothing but pizza
Something got dropped, I just smoke my reefa

Drill it and dance, normal, awful stretch, give him a snorkel
You dead gyal get put in a portal
Preein' up ski, big man be kojo
Racks in my [?], I don't do Voodoo
Back my wetter if heat up fufu
Bankroll, big ski, block hot, cool cool
Mash was old, but the opp was normal

She TT, she likes Celine
She bad and she know
Validation, she don't need
Cut her Ex off, quick to let the man go
She don't need a thing
She got her own bankroll

I got the smartwhip, watch how the gyaldem run
I know that the gyaldem just wanna have fun
When playtime done, put her hair in a bun
Fuck my man, my man both his ex and his friends are bums
Them man rap about drillings, babes, who's he killin'?
It must be water guns

She look cute in an AMG, gangsters got feelings too
Shawty, don't play with me
I won't play with your heart, said that from the start
Say the word and you come out on stage with me
She TT, dinner dates with the tray on me
From the stress and the pain to the plane with me
I put you in a Rolls Royce for a day for free
But I just let her know that

She TT

Mayfair with bae, got it all on me
Tramps, know they don't ball like me
Amiri steppin', you got your weapon
And I got my suttin', I let that leak
Brown skin darling, lovin' the spartan
Feeling like Julie and Ali G
She don't even know I let that glee
She don't even know I want them on tees

She TT, she likes Celine
She bad and she know
Validation, she don't need
Cut her Ex off, quick to let the man go
She don't need a thing
She got her own bankroll
