

A List

Lost Boyz

This that Chrys, Mr Cheeks, Freaky Kah, wat up boy, its LB family
...we just be doing some shit making the world pop
Lets get it, lets go

Line up I'ma made bitch
I got stacks piled up
I don't chase shit
I been up all night feeling famous
Don't you hit my line
Bitch, I'm A list (yah yah)

Ayo hey
Places I've been
Places I've seen
Came a long way and hit me like I'm from queens
Know what I mean man
I do it once I put my mind to it
And I ain't talking
I'ma let my grind do it
Man I stay crispy
Smoke trees
And get tipsy bitch
But I'm on point and I don't know where you list me, bitch
A nigga on the A list but stay on the low
Get the dough after every show
You already know, let's go

Line up I'ma made bitch
I got stacks piled up
I don't chase shit
I been up all night feeling famous
Don't you hit my line
Bitch, I'm A list (yah yah)

Chrys I make em scream like ya ya
Take ya bitch and make her call me da da
Open wide baby, I got that ba ba
And she'll be wit it like ya ya

I'm A list
You D list
Or C list
Or B list
LB list
That's we list
That G list
Can't see this
M Hammer
Can't touch this
Don't touch that
I'll knock your front back
And you don't want that
So don't hit my line unless you level up
Otherwise you might dig the devil up, Chrys...

Line up I'ma made bitch
I got stacks piled up

I don't chase shit
I been up all night feeling famous
Don't you hit my line
Bitch, I'm A list (yah yah)

Lately I'm feeling like I'm on my own now
Dodging these lights while I'm smoking these dark clouds
Mamba we was broke now they tryna let me up now
She ain't want me then now she see that I'm up now, see we up now
Blue strips over blue checks I been verified
Different kinda checks nigga when I flex
No it ain't televised
If ain't money I hit decline
And bitch if you rollin you know the vibes
If I hit it and kill it and then I slide
Don't be mad a nigga I'm pressed for time

Line up I'ma made bitch
I got stacks piled up
I don't chase shit
I been up all night feeling famous
Don't you hit my line
Bitch, I'm A list (yah yah...)
