

## By Surprise

Lost Boyz

Girl, you took me by surprise  
Something bout you just divise  
You got that thing that I like  
Yeah, you got that thing that I like  
Something bout you just divise  
Girl, you took me by surprise  
You got that thing that I like  
Yeah, you got that thing that I like

Yeah, I told her like  
There could never be enough songs written  
About you what you do no kiddin  
The way you look the way you move  
Shit everything about you smooth  
You deserve to be living where its always sunning  
Just living not worried bout money  
I'ma put it in come enjoy a life wit me  
Come tie a night raise a fam ya get me?  
Ain't stop thinking of ya sister last run in  
Surprise I ain't see ya coming back  
We here now feelings are grown  
Lets get away you and me be alone  
Lets step in harmony your that song that  
I could listen to all night long  
Step in harmony, you're that song  
That I can listen to all night long

Girl, you took me by surprise  
Something bout you just divise  
You got that thing that I like  
Yeah, you got that thing that I like  
Something bout you just divise  
Girl, you took me by surprise  
You got that thing that I like  
Yeah, you got that thing that I like

Since I was younger had my eye on you  
Ain't too many things that I wont do for you  
You gotta swag wit a vibe on you  
I got my eyes on the prize I got my eye on you  
Let me drip you in designer, baby  
We link to somewhere recliner, baby  
Winter time shower we in Bahamas, baby  
You can take your time, I'll take my time, baby

Girl, you took me by surprise  
Something bout you just divise  
You got that thing that I like  
Yeah, you got that thing that I like  
Something bout you just divise  
Girl, you took me by surprise  
You got that thing that I like  
Yeah, you got that thing that I like

She got that thing that I like  
The way she whine on me like she ride a motorbike (Chrys)  
Hands on her bout to get the motor right

And she got low miles so I know that motor tight  
I touched her deep then she start to feel it  
She said lets lock the jeep then I start to kill it  
Thinking to myself like you caught by surprise  
Then she looked me in my eyes like I don't usually fuck guys  
We don't gotta talk about it baby  
On my life I'll treat you like a lady  
And you know I'll get you that Mercedes  
Cause without you dayz are hazy  
And I'll have you living like a brady  
And know I'll give you couple babies  
Your my flower treat you like a daisy  
Tryna tell you that you're baby (Chrys)

Girl, you took me by surprise  
Something bout you just divide  
You got that thing that I like  
Yeah, you got that thing that I like  
Something bout you just divide  
Girl, you took me by surprise  
You got that thing that I like  
Yeah, you got that thing that I like
