

## Music Makes Me High 2

Lost Boyz

Yo, Mr Cheeks what would the world be without music (2 3 yea nigga)  
Music makes me high, makes me high

Music music music to me is so therapeutic  
What if I didn't know how to use it  
Nigga like me will probably lose it  
They don't know my pain and I ain't complaining (nah)  
Nigga like me not making excuses (nah)  
Just saying when it comes to this music (huh)  
Niggas don't do it how we do it  
They don't know my gang (huh)  
The L O S T B O Y Z  
The L O S T B O Y Z  
The L O S T B O Y Z  
Been locked the game

Ring the alarm LB Fam stay ballin', woah hey  
Bang on the muthafuckin' track everyday  
Keep calm it's LB that's all Imma say  
Kid Nyce put the track together Pop let's bang on it  
New LB album bout to drop throe the gang on it  
We do our thang on it team don't play  
From New York to the Bay we gettin' paid all day  
Paint the town with the top down breeze thru the city  
With a pretty little thing next to me gettin' litty  
Native New Yorker so my shit gon pop  
True definition of the word hip hop  
Yo the kid from Queens but drop me off in Harlem  
Every muthafucka on my team is a problem  
Smooth like Durant pop off like Curry  
Got the game on smash like Lebron why worry it's music

Music music music to me is so therapeutic  
What if I didn't know how to use it  
Nigga like me will probably lose it  
They don't know my pain and I ain't complaining (nah)  
Nigga like me not making excuses (nah)  
Just saying when it comes to this music (yea)  
Niggas don't do it how we do it  
They don't know my gang

Who's that kicking them funky ass raps  
My voice more recognizable than nigga naps  
Never ignorant getting goals accomplished  
Mr Cheeks and Mr Murray that equals success  
Yo this that type of hip hop that puts you in a trance  
Make you stop what you doing and do the Lost Boyz dance  
Hip hop music makes the world go round  
Even got gangstas cracking smiles  
Word its a form of meditation  
Unwind and relax you deserve it  
Black kids act white white kids act black  
It must've been hip hop that started all that

Music music music to me is so therapeutic  
What if I didn't know how to use it  
Nigga like me will probably lose it

They don't know my pain and I ain't complaining (nah)  
Nigga like me not making excuses (nah)  
Just saying when it comes to this music (yea)  
Niggas don't do it how we do it  
They don't know my gang

Fuck that they pop off we gon pop back  
Ampin' these wack artists y'all need to stop that  
I love this art don't don't play with me  
Women come and go but that music gon' stay with me  
Pen and pad hooptie to Jag  
'Cause no matter where we go we gon get this bag  
I'm not the cat that muthafuckin' flows like the rest of em  
Put me on stage with the best of em  
I will tear down the stage and show you my style  
Y'all niggas got niggas writing for ya yo that's wild  
Let's compete put me back in the A game  
I'm doing that thing pops off like bang  
Man it's different shit we bring  
Keep it smooth man that's just the way we swing  
We keep them party joints  
We get them party joints  
We got them party joints  
We got some party joints

Music music music to me is so therapeutic  
What if I didn't know how to use it  
Nigga like me will probably lose it  
They don't know my pain and I ain't complaining (nah)
