

## Beautiful Life

## Lost Frequencies

Anywhere you are and you'll go, I follow  
Mountain high and river low, I follow  
Take me to the bottom, drive me in low  
Wherever you go  
Mountain high and river low, I follow

It's a beautiful, beautiful life  
Beautiful, beautiful life  
Beautiful, beautiful life  
With you

Anywhere you are and you'll go, I follow  
Mountain high and river low, I follow  
Take me to the bottom, drive me in low  
Wherever you go  
Mountain high and river low, I follow

Beautiful, beautiful life  
Beautiful, beautiful life  
Beautiful, beautiful life  
With you

Anywhere she wants to go
