## Lost Frequencies

No limit to my love  
No limit to my love  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough

No limit to my love  
(My love, my love)  
No limit to my love  
(My love, my love)  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough  
Mm-mm

Give me a chance, I'll take it  
Give me a job, I'll make it  
Do anything, just name it  
It's all for you  
It's all for you  
Mm-mm  
Show me the stars, I'll reach 'em  
Give me the odds, I'll beat them  
Can't stop the way I'm feeling  
Feeling about you  
Feeling about you

No limit to my love  
(My love, my love)  
No limit to my love  
(My love, my love)  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough

No limit to my love  
Ooh-ooh  
No limit to my love

As I walked through the valley of the shadow of death  
They found me, they found me  
I was stone-cold hearted till the feeling started again  
(Again and again and again)  
Yeah, your love came and lifted me from out of my head  
I was drowning, I was drowning  
So I'm yours forever  
My devotion never will end

No limit to my love  
(My love, my love)  
No limit to my love  
(My love, my love)  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough  
No limit to my love  
(My love, my love)

No limit to my love  
(My love, my love)  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough

No limit to my love  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough  
There's nothing I won't do  
When it comes to you  
The sky ain't high enough  
Mm-mm

There's nothing  
There's nothing  
There's nothing  
There's nothing  
There's nothing  
Sky ain't high enough
