

# Recognise

Lost Frequencies

Something that you don't know  
Feel it creeping on me in the night  
Waiting if I can't hold  
Pushing me to swim against the

Open tide, open tide  
Oh I fight, oh I fight

It's not me, yeah  
I don't even recognise  
My heartbeat, yeah  
Feeling like I'm losing time

Here we go, here we go again  
On the ropes, on the ropes  
It's not me, yeah  
I don't even recognise

I don't even recognise

Always fought my battles  
But now you make it hard for me to find  
A way out of this storm  
Follows me above my head and

Oh it rains, oh it rains  
Darker days, darker days

It's not me, yeah  
I don't even recognise  
My heartbeat, yeah  
Feeling like I'm losing time

Here we go, here we go again  
On the ropes, on the ropes  
It's not me, yeah  
I don't even recognise

I don't even recognise

Oh  
Getting me down, getting me down  
Oh

So tell me something that I don't know  
Let's break the chain and learn to let go  
I need you to show me, I need you to  
Please tell me something that I don't know

It's not me, yeah  
I don't even recognise  
My heartbeat, yeah  
Feeling like I'm losing time

Here we go, here we go again  
On the ropes, on the ropes  
It's not me, yeah

I don't even recognise

Feeling like I'm losing time  
Here we go, here we go again  
On the ropes, on the ropes  
It's not me, yeah  
I don't even recognise
