

# Sun Is Shining

Lost Frequencies

Glory, Glory - Hallelujah  
The sun is shining, shining down  
Glory, Glory - Hallelujah  
I'm alive and I'm feeling, feeling fine

How many more days can you hold out  
"How much longer can you wait?" she asked  
There was a time I thought I, I could answer  
But my tongue gets tied as my thoughts drift away

Glory, Glory - Hallelujah  
The sun is shining, shining down  
Glory, Glory - Hallelujah  
I'm alive and I'm feeling, feeling fine

And I'm feeling, feeling fine

How many more days

I'm alive and I'm feeling, feeling fine

Glory, Glory - Hallelujah  
I'm alive and I'm feeling, feeling fine
