

INSOMNIA

Lost Kings

Need you (Need you, need you, need you)
I need you (You, you)
I need you
Need you (Need you, need you, need you)

I wanna love you like nobody (Body, body, body)
I wanna show you that I care (Care, care, care)
I wanna love you like nobody (Body, body, body)
Nobody else, ooh

I sleep better when you're here; stay right here, baby
I need every little piece of you, please baby
I sleep better when you're here next to me
You know I sleep better
You know I sleep-

Need you (Need you, need you, need you)
I need you
Need you (Need you, need you, need you)
Need you (Need you, need you, need you)

I wanna love you like nobody (Body, body, body)
I wanna show you that I care (Care, care, care)
I wanna love you like nobody (Body, body, body)
Nobody else, ooh

Nobody else
Ooh
Nobody else
Ooh

I sleep better when you're here; stay right here, baby
I need every little piece of you, please baby
I sleep better when you're here next to me
You know I sleep better
You know I sleep-

Need you (Need you, need you, need you)
I need you
Need you (Need you, need you, need you)
I need you
Need you (Need you, need you, need you)

I wanna love you like nobody (Body, body, body)
I wanna show you that I care (Care, care, care)
I wanna love you like nobody (Body, body, body)
Nobody else, ooh
