Save Me

Lost Kings

I got a new break
Packed all my old shit
Back at my mom's house
Down in the basement
I'm feeling good now
And that's a statement
I know you're cold now
Can't be your blanket

But if I called you in the middle of the night
Would you pick up
Would you even think twice or think I'm crazy
Tell me would you save me

If I called you and I asked you for a ride
Would you show up?
Would you even think twice or think I'm crazy?
Would you show up? Would you save me?

'Cause these nights are something else that I never felt
And when I look in the mirror, I don't see myself
I go back in time to realize I wasn't ready for us
We weren't ready for love
We're running on empty, left my heart on the shelf
And sometimes I think of you, but I never tell
Can't give up my pride to realize I wasn't ready for us
We weren't ready for love

But if I called you in the middle of the night
Would you pick up?
Would you even think twice or think I'm crazy?
Tell me would you save me?

If I called you and I asked you for a ride
Would you show up?
Would you even think twice or think I'm crazy?
Would you show up? Would you save me?
