

## Creature

Lost Society

I'm a cheater  
I'm a dirty bottom feeder  
Never absent  
I'm a chemical imbalance  
I'm denial, never lonely  
The face of all unholy  
In my darkest, at my deepest  
A shadow of a creature

I'm a liar  
I'm everyone's desire  
I am heartless  
A filthy piece of garbage  
I'm a scandal  
I'm misleading propaganda  
In my darkest  
I'm just a shadow of a creature

But am I still the same  
And do you still believe  
That I'm the spitting image of the god you claim to be  
Well tell me 'cause I don't feel like it  
I don't feel like it

I don't feel like it

But am I still the same  
And do you still believe  
That I'm the spitting image of the god you claim to be  
Well tell me 'cause I don't feel like it  
I don't feel like it

I'm a liar, I'm a cheater  
In my darkest, at my deepest  
A shadow of a creature  
I'm denial, never lonely  
In my darkest, at my deepest  
A shadow of a creature
