Lost Society

You say your life sucks
Well go die you emo f*cks
Cutting yourself is all you can do
Why can't I just f*cking kill you?
OH
Eins, zwei, drei, vier
I can't see through your black hair

Well look at me, I don't f*cking care
You're such a f*cking waste of space
I'm gonna spit on your face
Solo
DIE
DIE, DIE, DIE
Solo
f*ck OFF BITCHES
