Heartache

Lou Gramm

Heartache's done nothing but cover me
Heartache don't know when to let me be
Heartache won't learn no lesson in love

I get no reply or tell-tale lie
It's all the same in love
You give me a hard time
But I can't deny
It's you I'm thinking of

Oh lonely nights have taken their toll
I don't care anymore
I just want you to know
There's a place in my heart
You're a part of my soul
And I Can't let go

Heartache's done nothing but cover me
Heartache don't know when to let me be
Heartache won't learn no lesson in love

I know there's a way, I'm sure there's a way
Though it seems we're worlds apart
If love is the crime
Then it's yours and it's mine
We're prisoners of our hearts

Oh lonely nights, they have taken their toll
I don't care anymore
I just want you to know
There was nothing to gain
Losing passion for pain
But I won't let go

Heartache's done nothing but cover me
Heartache don't know when to let me be
Heartache won't learn no lesson in love

Oh lonely nights have taken their toll
I don't care anymore
I just want you to know
There was nothing to gain
Losing passion for pain
But I won't let go

Heartache's done nothing but cover me
Heartache don't know when to let me be
Heartache won't learn no lesson in love
