

Redeemer

Lou Gramm

Redeemer gotta get it in the light
Redeemer, now you better put yourself in the fight

I don't look at things the way I used to
My whole desires have lost their gains
Through the doorway of love
There's a threshold of pain

Redeemer gotta get it in the light
Redeemer, now you better put yourself in the fight
Redeemer, redeemer
Redeemer, now you better put yourself in the fight

There are only illusion
In the drama of my life
There's a cloud over shadows me
I let the sun shine, put away my strive

Redeemer gotta get it in the light
Redeemer, now you better put yourself in the fight
Redeemer, redeemer
Redeemer, now you better put yourself in the fight
Redeemer

Redeemer gotta get it in the light
Redeemer, you better put yourself in the fight
Redeemer, redeemer
Redeemer, now you better put yourself in the fight

Gotta get it in the fight
Redeemer, won't you better put yourself in the fight
Redeemer, redeemer
Redeemer

Gotta get it in the light
I'm gotta get it in the light
Now you better put yourself in the fight
Redeemer, redeemer
Redeemer, gotta get it in the light
