

Won't Somebody Take Her Home

Lou Gramm

Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?

She's trying to make it on her own
But it seems every time she tries
Something would happen to the storm
All the good that she felt inside

Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?

Don't mind the look
She tried to do something
But she just couldn't do it right
You were the friends that she could make it through
And still stayed out all night

Won't somebody take her home?

Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?

What's a girl to do?
When she's got no one?
When she wants to give
What she's come undone

Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?

Tune in tomorrow and you will see
Cause today no one came around

Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her home?
Won't somebody take her?
Please take her home
