

A Lover's Question

Lou Rawls

Does she love me, with all her heart
Should I worry, when we're apart
Well, It's a lover's question, I'd like to know.
I really wanna know.

Does she need me, as she pretends
Is this a game, well then will I win
It's a lover's question, I'd like to know

I'd like to know when she's not with me
If she's still true to me

I'd like to know when we're kissing
Does he feel just what I feel,
And how am I to know it's really real.

Oh, tell me where, the answer lies
Is it in her kiss or in her eyes
It's a lover's question I'd like to know.
I really wanna know.

I'd like to know when he's not with me
If he's still true to me

I'd like to know when we're kissing
Does she feel just what I feel,
And how am I to know it's really real.

Oh, tell me where, the answer lies
Is it in his kiss
or in her eyes
It's a lover's question I'd like to know
I'd like to know
I really wanna know.
