

# Foolin' Around

Lou Rawls

Foolin' around  
Foolin' around with my fair-weather friend  
Just sorta foolin' around  
Havin' all kinds of fun, and I'm a-hopin' it'll never end  
Foolin' around  
Wishin' this could go on and on, and we'd never have to go in  
Just foolin' around  
Keep singin' a sunshine song again and again and again

Can't think of a better game  
Or anything I'd rather do  
Than foolin' around  
We're just foolin' around  
We're just foolin' around, foolin' around

Foolin' around  
How 'bout we play hide and seek?  
I'll count to ten, now, don't you peek  
Just sorta foolin' around  
A-ready or not, here I come  
Gee, we're havin' fun just foolin' around  
Just sorta foolin' around, doin' anything we wanna do  
Just foolin' around  
Makin' up our own games  
We don't even need any rules

No time to worry 'bout what time it's getting to be

Just foolin' around  
We're just foolin' around, we're just foolin' around  
Foolin' around  
Foolin' around  
Just foolin' around  
Just foolin' around  
Foolin' around  
Just foolin' around  
Foolin' around
