

## 'Tain't Nobody's Biz-Ness If I Do

Lou Rawls

One day we've got ham and bacon  
The next day ain't nothing shakin'  
Ain't nobody's bizness what we do

If me and my baby fuss and fight  
And the next minute everything's all right  
It ain't nobody's bizness what we do

Well, I'm three times seven  
And that makes almost twenty-two  
It ain't nobody's bizness what I do

Well if I stay up all night  
Spend my money, that's all right  
It ain't nobody's bizness what I do

It ain't nobody's bizness  
If I go to church on Sunday  
And then cabaret on Monday  
It's gonna be alright

'Cause I'm a man, I'm a man  
And it ain't nobody's bizness what I do  
It ain't nobody's bizness what I do  
It ain't no nobody's bizness, no no no nobody's bizness  
Keep your nose outta my Bizness...
