

# I Love You

Lou Reed

When I think of all the things I've done  
and I know that it's only just begun  
Those smiling faces, you know I just can't forget 'em  
but I love you

When I think of all the things I've seen  
and I know that it's only the beginning  
You know those smiling faces, I just can't forget 'em  
but for now, I love you

Just for a little while  
oh baby, just to see you smile  
Just for a little while

When I think of all the things I've done  
and I know that it's only just begun  
Oh, smiling faces, Jesus, you know I can't forget 'em  
But for now, I love you  
right this minute, baby now  
I love you  
at least for now, I love you
