

# Holiday Hills

Loud Luxury

She on her way  
Tryna party, tryna chill  
Know she like the way it feels  
When you're living in the Holiday Hills  
It's late  
But you know she pulling up  
I might never see the sun  
'Cause I'm living in the Holiday Hills, yeah

Two Cs in her eyes  
Big pool, take a dive  
Bad girl, bring the vibes, yeah  
My lips going numb  
Wide-eyed from the jump  
She saw it and she said she fell in love, yeah

Ooh, anything you wanted from me  
Ooh, take a trip with me anytime you're lonely  
Ooh, I'ma feel alright, her kiss too holy  
I don't wanna sip it slowly, oh yeah

She on her way  
Tryna party, tryna chill  
Know she like the way it feels  
When you're living in the Holiday Hills  
It's late  
But you know she pulling up  
I might never see the sun  
'Cause I'm living in the Holiday Hills

She on her way  
Tryna party, tryna chill  
Know she like the way it feels  
When you're living in the Holiday Hills  
It's late  
But you know she pulling up  
I might never see the sun  
'Cause I'm living in the Holiday Hills, yeah

Been up since yesterday  
No time to decorate  
Still on the road, she tryna chase, yeah  
Her life like a cinema  
Drinking champagne on the SprinterBus  
Took one look and she fell in love, you know

Ooh, anything you wanted from me  
Ooh, take a trip with me anytime you're lonely  
Ooh, I'ma feel alright, her kiss too holy  
I don't wanna sip it slowly, oh yeah

She on her way  
Tryna party, tryna chill  
Know she like the way it feels  
When you're living in the Holiday Hills  
It's late  
But you know she pulling up

I might never see the sun  
'Cause I'm living in the Holiday Hills

She on her way  
Tryna party, tryna chill  
Know she like the way it feels  
When you're living in the Holiday Hills  
It's late  
But you know she pulling up  
I might never see the sun  
'Cause I'm living in the Holiday Hills, yeah
