

Turning Me Up (Hadal Ahbek)

Loud Luxury

Froze the room when you walked in
Everybody stopped talking
Love the way that you move
Wanna get to know you, we could rendezvous
Blurry-eyed, I can't see straight
Falling hard, I'm off my face
Never gonna come down when you're turning me up

You're turning me up-adupadapuduhh
Up-adupadapuduhh
Up-adupadapuduh pupudaduhh
You're turning me up-adupadapuduhh
Up-adupadapuduhh
Up-adupadapuduh pupudaduhh

No one gets me high like you, high like you
No one, no one gets me high like you
You're turning me up, babe, you're turning me
No one gets me high like you, high like you
No, no one gets me high like you
You're turning me up, babe, you're turning me

Sending texts in the moonlight
We're just looking for good nights
It's too late to go out, so
I'm thinking 'bout you and a rendezvous
I say we should do my place
Call me when you're outside, babe
Days been turning me down when you're turning me up
