

Wasted

Loud Luxury

White claw under street lights
While the cities asleep
I know you work in the morning
But you don't gotta leave
You're wearing my jacket
And I bought you those kicks
Got whiskey and chapstick
All over your lips

Baby, are we wasted
Or are we falling in love?
I can almost taste it
On the tip of my tongue
Maybe I'm mistaken
Am I saying too much?
Baby, are we wasted
Or are we falling in love?

Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
If it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it

Baby, are we wasted
Or are we falling in love?
I can almost taste it
On the tip of my tongue
Maybe I'm mistaken
Am I saying too much?
Baby, are we wasted
Or are we falling in love?

Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
If it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it

Your clothes on the carpet
This place is a mess
If I don't call you tomorrow
Will you be upset?
But you tell me not to let go
Put your hands around my neck
I wonder if you are that voice in my head that's going

Baby, are we wasted
Or are we falling in love?
I can almost taste it
On the tip of my tongue

Maybe I'm mistaken
Am I saying too much?
Baby, are we wasted
Or are we falling in love?

Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
If it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it

Baby, are we wasted
Or are we falling in love?
I can almost taste it
On the tip of my tongue
Maybe I'm mistaken
Am I saying too much?
Baby, are we wasted
Or are we falling in love?

Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
If it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it
Ooh ooh ooh
And if it's love then I don't want to waste it

Ooh ooh ooh
Ooh ooh ooh
