

Bad Date (Nothing I Can Do)

Loudness

Cheating on my girl
I beep her after class
Meet me at the diner
Someone please cover my ass

Bad date
Wasting my time
Nothing I can do about it
Bad taste
Ruining my life
I wanna run and hide

I can win the Lotto
I'll be a millionaire
My life is just a gamble
I've got to take it slower

Bad date
Wasting my time
Nothing I can do about it
Bad taste
Ruining my life
I wanna run and hide

Where's my money
Begging all my life
Where's my money
Begging all my life
Who in the hell knows
No no no...
