

# Bang'em Dead

Loudness

Say you want more  
You greedy swine  
The savage ruler  
'Cause you cannot forget  
The taste of wine  
The power abuser  
Monopoly, money hungry  
Bloodsucker  
Starving soldiers  
Falling empire under fire

Bang 'em dead!  
Bang 'em dead right now!  
Bang 'em dead!  
Bang 'em dead right now!

Expose the lies and deception  
Money cannot buy you salvation  
Your days are numbered  
Nowhere to hide  
Truth be told now  
No more lies

Think you run the game  
Megalomania  
We're falling victim  
To the mass hysteria  
Money-spittin' powertrippin'  
Know you won't last long  
Black history again and again  
Do we ever learn?

Bang 'em dead!  
Bang 'em dead right now!  
Bang 'em dead!  
Bang 'em dead right now!

Expose the lies and deception  
Money cannot buy you salvation  
Your days are numbered  
Nowhere to hide  
Truth be told now  
No more lies

Bang 'em dead!

Bang 'em dead!  
Your days are numbered  
Nowhere to hide  
Truth be told now  
No more lies

(Your days are numbered)  
Your days are numbered  
(Nowhere to hide)  
Nowhere to hide  
(Truth be told now)

(No more lies)  
No more lies
