

Crystal Moon

Loudness

In the spirits of the night
Crystal moon is crying tears □□□

In the shadow of the night
□□crystal moon rise
□□□□into my dreams

□□□□ □□□□ □□□□□□□□
□□□□ □□□□

My angel won't come and my death moon is rising now

There's not even a demon in Heaven or Hell
There's not even a demon in Heaven or Hell

In the still of the night
□□□□ □□□□□□□□

In the shadow of the night
□□□□□□ □□□□
Another fire burns inside

As child we played
As man we lived
Nothing's changed, I am still here
