

## Diving into Darkness

Loudness

Hey teacher,  
don't tell me what to do  
I don't need your lecturing  
I know that I ain't gona live  
forever, no!no!  
I just wanna live  
while I'm alive  
Diving into darkness  
The darkness within my soul  
Don't need your light to guide  
my way  
I'll find my way without you  
I'll never fear darkness forever  
Let there be light and let it  
fill my soul  
I can make it real if I believe  
Let the spirit ignite my soul  
Life goes on and on and on  
Life goes on as it never ends  
Live for today, for soon  
tomorrow comes  
I just wanna live  
while I'm alive

Diving into darkness  
The darkness blinds my eye  
Don't need your light to guide  
my way  
I'll find my way without you  
I'll never fear darkness forever  
Let there be light and let it  
fill my soul  
I can make it real if I believe  
Let the spirit ignite my soul

Diving into darkness  
The darkness within my soul  
Don't need your light to guide  
my way  
I'll find my way without you  
I'll never fear darkness forever  
Let there be light and let it  
fill my soul  
I can make it real if I believe  
Let the spirit ignite my soul
