

# Doctor from Hell

Loudness

He will avenge  
He hears his call  
Healing the sickness infecting us all

Demon of faith  
Perilless race  
He kills the pain the devil will fall

Creature of night  
Angel of life

When will it die  
When will it drain  
All of this pain it makes me insane  
Buried alive  
Hides in my brain  
When will it die  
Invisible pain

Creature of night  
Angel of life

Doctor from Hell! From Heaven I fell!  
Rescue me from the darkness  
Living in Hell! Created myself  
Caged in the cell I made.

Doctor from Hell! From Heaven I fell!  
Souls lost in the darkness  
Show me the way, light of the day  
Where is the key to this cage?

Doctor from Hell!

He will avenge  
He hears his call  
Healing the sickness infecting us all

Demon of faith  
Perilless race  
He kills the pain the devil will fall

Creature of night  
Angel of life

Doctor from Hell! From Heaven I fell!  
Rescue me from the darkness  
Living in Hell! Created myself  
Caged in the cell I made.

Doctor from Hell! From Heaven I fell!  
Souls lost in the darkness  
Show me the way, light of the day  
Where is the key to this cage?

Doctor from Hell!  
Lost in Hell!
