

Go for Broke

Loudness

I don't know, I don't know why you're afraid
Looking for a reason, just a way out

You don't know, you don't know that it's your fate
You could have it all, without a doubt

The golden gate will come to you, reach your hand
Don't you stop take your chances
Another day goes by, there is no time to waste
Now is the time to make stance

I don't know, I don't know what's on your mind
You just seem tied up within your cell

You don't know, you don't know that you've been blind
You could let it go and just be yourself

The golden gate will come to you, reach your hand
Don't you stop take your chances
Another day goes by, there is no time to waste
Now is the time to make stance

We can break out
Break out and go for broke
No need for regrets, just don't you choke
We can break out
Break out, just don't you choke
No need for regrets, just don't you choke

The golden gate will come to you, reach your hand
Don't you stop take your chances
Another day goes by, there is no time to waste
Now is the time to make stance

We can break out
Break out and go for broke
No need for regrets, just don't you choke
We can break out
Break out, just don't you choke
No need for regrets, just don't you choke
