

Heavier than Hell

Loudness

Like a shadow
Kageri no aru
Like a rainbow
Miwaku-tekina

She's mystery
Karasu no yōna lady
She's mistily
Utsurona me no shady

(Oh yeah, heavier than hell)
She's hazy
(Oh, disgraceful knight)
She makes me mazy
(Oh yeah, heavier than hell)
She's dazy
(Oh, meaningful night)

Like a evil
Marionetto no
Like a devil
Akumu o miru

She's mystery
Karasu no yōna lady
She's mistily
Utsurona me no shady

She makes me crazy

Like a shadow
□□□□□
Like a rainbow
