

Vampire Blues

Loudon Wainwright III

I'm a vampire baby

Want to suck your blood tonight
I'm a vampire baby
Want to suck your blood tonight
You know them white corpuscles
They make me feel alright

What type blood you got baby
I gotta know, I gotta know
What type blood you got baby
Yeah I gotta know
Is it A, AB
Or is it O?

R:

I was born in Transylvania

But now I got to fly to London town
I was born in Transylvania
But now I got to fly to London town
You know those armodillos in my castle
Really used to burn me down

R:

I'm a vampire baby

Want you to be my bride
I'm a vampire baby
Want you to be my bride
So go ahead and throw away that
Crucifix and come inside
