

Enjoy Yourself (It's Later Than You Think)

Louis Prima

Enjoy yourself, it's later than you think
Enjoy yourself, while you're still in the pink
The years go by as quickly as a wink
Enjoy yourself, enjoy yourself
It's later than you think

You work and work for year and year
You always on the go
You never take a minute off
Too busy making dollar

Next year, for sure, you'll hit the road
You'll really get around
How far can you travel
When you're six-feet underground?

Enjoy yourself, it's later than you think
Enjoy yourself, while you're still in the pink
The years go by as quickly as a wink
Enjoy yourself, enjoy yourself
It's later than you think

You never go to nightclubs, and
You just don't care to dance
You don't have time for silly things
Like moonlight and romance
You only think of dollar bills
Tied neatly in a stack
But when you kiss a dollar bill
It doesn't kiss you back

Enjoy yourself, it's later than you think
Enjoy yourself, while you're still in the pink
The years go by as quickly as a wink
Enjoy yourself, enjoy yourself
It's later than you think

You like lasagna very much
All you do is eat and eat
But you won't eat cucuzza
You're afraid it'll break your teeth
You're afraid that you may bite off
More than you can chew
Don't be afraid you won't have teeth
When you reach forty-two

Oh, enjoy yourself, it's later than you think
Enjoy yourself, while you're still in the pink
The years go by as quickly as a wink
Enjoy yourself, enjoy yourself
It's later than you think

Enjoy yourself
