

# Lonesome For You (Black And Blue)

Louis Prima

Cold empty bed (doo-wah)  
Springs hard as lead (doo-wah)  
Seemed like Old Ned (doo-wah)  
Wish I was dead (doo)  
All my life through  
I've been so lonesome for you

And even the mouse (doo-wah)  
He ran from the house (doo-wah)  
Laughed at me, ooh (doo-wah)  
He scorned me too (doo)  
But what did I do  
To be so lonesome for you?

Now I cry, oh, and I die  
But that don't help my game  
Now I've tried to-hoo-hoo hide  
What it is in my frame, oh-ba-boo-doo-dee-boy-dley

How will it end? (doo-wah)  
I ain't got a friend (doo-wah)  
My only sin (doo-wah)  
Is in your grin (doo)  
But what did I do  
To be so lonesome for you?

Cold empty bed  
Springs hard as lead  
Seemed like Old Ned  
Oh, I wish I was dead  
All my life through, love, love, lov, lov, low, low  
I've been so, ba-bo-zee-ba-bo-zo  
Oh, lonely lonely lonely lonely lonely  
Oh, lonely lonely lonely lonely

And even the mouse  
He ran from the house  
And he laughed at me  
Ha-ha-ha-ha  
Oh, what did I do  
To be so lonesome for  
To be so lonesome for  
To be so lonesome for  
To be so lonesome for you?
