(Marie, Marie)  
(Marie, Marie)

Marie, oh when the dawn is breakin', baby, Marie  
You should be a-wakin' to find, your heart is achin'  
And tears will fall if you recall  
The moon, in all it's splendor  
Oh, and your kiss, so very tender and [?]  
Will you surrender to me? Oh, Marie

Hey hey hey, the moon in all its splendor  
Oh, and your kiss, so very tender and [?]  
Will you surrender, baby, to me? Oh Marie

Marie, oh, Marie  
Won't you [?] a-me, Marie
