

# Shepherd Boy

Louis Prima

A shepherd boy in a land you've never seen  
Saw a girl busting out in bloom  
He knew his sheep, but girls he'd never seen  
Flipped his turban just smellin' her perfume

Slow down shepherd boy, woah down shepherd boy  
She's a flame, but you're no match  
Slow down shepherd boy, woah down shepherd boy  
You'll do the chasing and she will make the catch

I love you, I love you  
The shepherd sings his heart out  
I love you, I love you  
The shepherd sings his heart out

He followed her through a mile of desert sand  
She walked like honey poured when it's warm  
His heart kept time just like an army band  
Wish for a payment to put down on a farm

Slow down shepherd boy, woah down shepherd boy  
You've walked a mile for what you're gonna get  
Slow down shepherd boy, woah down shepherd boy  
Stop making plans, you haven't got her yet

I love you, I love you  
The shepherd sings his heart out  
I love you, I love you  
The shepherd sings his heart out

She dropped her veil and he recovered it  
He gazed upon her beauty rare  
He thought he was the first one to discover it  
Noticed four rings on her fingers there

Oh, Slow down shepherd boy, woah down shepherd boy  
No need to run, your flock's asleep  
Slow down shepherd boy, woah down shepherd boy  
You're singin' now, but you're singin' to your sheep

I love you, I love you  
The shepherd sings his heart out  
I love you, I love you, I love you, I love you, I love you, I love you  
u, I love you  
The shepherd sings his heart out

Well, that's alright, I'm through with you chicks anyway  
And I'm going back and watching my sheep
