

Them There Eyes/Honeysuckle Rose (Medley)

Louis Prima

I fell in love with you the first time I looked into them there eyes

(Them there eyes)

You have a certain way of flirtin' with them there eyes

(Them there eyes)

You make me feel so happy, then you make me blue

No stallin', I'm fallin', in a very large way for you

'Cause my heart is jumpin', and you started somethin' with them there eyes

(Them there eyes)

Ooh, you better look out if you're wise

And they sparkle (Yeah!) they bubble

And they're gonna get you in a world of trouble

Fell in love with you the first time I looked at you

Them there eyes (Them there eyes)

Every honey bee filled with jealousy

From when they see you out with me

Your convention, goodness knows

Honeysuckle rose

Flowers droop and sigh, I know the reason why

When they see you passin' by

You're mine, and goodness knows

Honeysuckle rose

I don't need sugar

You just have to touch my cup

And you're my sugar

Mmm, up, doodily wop, doodily wop

Stir it up, stir it up, doodily wop

Stir it up, stir it up, doodily ut ut
