

# Playtime

Louis XIV

Have you ever been left with no rudder  
Stuck inside hot days of summer  
You caught downstairs but the doorman had no class  
But he's havin' a blast

Life's just crazy all the time  
Well it's getting crazier by the minute  
Life's just crazy all the time  
Well I'm so happy I'm still in it

It's such a great day, all you wanna do, you got a playtime today, hey  
y  
Call me out, hooray (hooray!)  
It's such a fine time, ready for prime time playtime today, hey  
Call me out, hooray (hooray!)

Have you ever had a sail with no rudder  
Floating by hot days of summer  
There's a captain on call but he's deep in the glass  
Got his head up his mast

Life's just crazy all the time  
Well it's getting crazier by the minute  
Life's just crazy all the time  
Well I'm so happy I'm still in it

It's such a great day, all you wanna do, you got a playtime today, he  
y  
Call me out, hooray (hooray!)  
It's such a fine time, ready for prime time playtime today, hey  
Call me out, hooray (hooray!)

(Hooray!)  
(Hooray!)  
(Hooray!)

It's such a great day, all you wanna do, you got a playtime today, he

Call me out, hooray (hooray!)  
It's such a fine time, ready for prime time playtime today, hey  
Call me out, hooray (hooray!)
