

Not the Same

Louise

[Verse 1]

Don't know when we last talked it out
'Cause you never wanna hear it
No matter what I ask, you won't think out loud
'Cause you built a wall between us

[Pre-Chorus]

Sometimes I overthink (Oh-oh-oh)
Without no reasoning (Oh-oh-oh)
But now it's clear to me (Oh-oh-oh)
There's not a chance, I'm crazy it's a fact

[Chorus]

I know you've changed
When you kiss me now
I can feel your eyes open
When you shut me out
Saying "Baby not today"
Thought I made you proud
But you'll never show it
Say that you love me
But it's not the same

[Verse 2]

I've been up all night
Your phone won't ring
Am I not worth your excuses?
Gotta laugh inside, just hold it in
Boy don't you think I'm stupid

[Pre-Chorus]

Sometimes I overthink (Oh-oh-oh)
Without no reasoning (Oh-oh-oh)
But now it's clear to me (Oh-oh-oh)
There's not a chance, I'm crazy it's a fact

[Chorus]

I know you've changed
When you kiss me now
I can feel your eyes open
When you shut me out
Saying "Baby not today"

Thought I made you proud
But you'll never show it
Say that you love me
But it's not the same

[Post-Chorus]

I can feel it in the air
I can feel you're not there
I can feel it in my bones
And you know that I know it's not the same
Why you putting on a show?
'Cause I already know
Say that you love me
But it's not the same

[Chorus]

When you kiss me now
I can feel your eyes open
When you shut me out
Saying "Baby not today"
Thought I made you proud
But you'll never show it
Say that you love me
But it's not the same
When you kiss me now
I can feel your eyes open
When you shut me out
Saying "Baby not today"
Thought I made you proud
But you'll never show it
Say that you love me
But it's not the same

[Post-Chorus]

I can feel it in the air
I can feel you're not there
I can feel it in my bones
And you know that I know it's not the same
Why you putting on a show?
'Cause I already know
Say that you love me
But it's not the same
